

HANDOUT: Developing Analysis Grid

Directions: Complete the table. First, select appropriate evidence to prove the claim, then write how the evidence proves the claim. Next, select a word or phrase from the same evidence to 'zoom' in on, analyse this 'zoom' explaining how it supports or is relevant to the claim. Finally, if relevant, make a link to the sociohistorical context (this could refer to when the play was written and/or when it was set).

Question: How does Priestley present _____ in <i>An Inspector Calls</i> ?					
Claim	Evidence (Which quotation supports your claim? Include a brief explanation of what is happening in this section of the text.)	Analysis (How does the evidence prove the claim?)	Zoom (Which word or phrase can you zoom in on to analyse in depth? It needs to be from the evidence!)	Analysis of zoom (Why have you chosen to zoom in on this word or phrase? How does it reinforce your claim?)	Link to context (Is the sociohistorical context of the play relevant?)
